Dear TriWest Network,

We are 6 months away from an amazing missional opportunity. NC Baptist and TriWest Network are partnering with churches from all across North Carolina. What would happen if every Baptist Church took to the streets and demonstrated and proclaimed the hope found in Jesus?

Are you aware that the national growth population is 7.3% while the Triangle and especially the geographical area that encompasses TriWest is growing over 20%? Myriads of families are moving to our communities and the truth is the majority of them do not have a relationship with Christ. Many don't know and some have never heard the transforming message of the gospel.

If your church didn't exist, would your community notice? How are they to hear without someone to proclaim the Gospel? (Romans 10:14) Whether it's painting a school, cleaning up a yard, serving meals to those in need, or building a wheelchair ramp, your church knows the specific needs that exist in your community and can choose the best project to make a difference through Serve TriWest and Serve NC.

Commit your church to one week of being on mission together and display the Gospel to those in need, August 3-10, 2024. Sign up by clicking the link below. You can download resources at <https://ncbaptist.org/resource/serveNC> for promotion in your church.

TriWest network is committed to working together with Baptists from across the state. ServeNC is an opportunity for every NC Baptist church to love its community in Jesus' name through service projects. Please sign your church up today and make plans to serve your neighbors and community. Let's show and tell the Love of Christ.

For the mission,
Marty

TriWest Baptist Network exists to Strengthen, Plant and Resource the local church in order to glorify God and Make Disciples of all nations. We do this through Sacrificial Collaboration.
