Marty Childers, AMS

Greetings TriWest family,

God has been repeatedly asking me a question lately. "Where is your treasure?" Matthew 6:21 says that "wherever your treasure is, there your heart will be also." I want to challenge you and your church to find your treasure in pushing back Lostness. To make that a reality, we must realize that it requires sacrificial collaboration. 4.5 billion people who are living will die without hope unless someone shares the Good News of Jesus with them...

I want to challenge every church that is a part of the TriWest Network to do two things:

SERVENC - Sign up to be a part of ServeNC. <https://ncbaptist.org/servenc/> This is a project sponsored by our Baptist State Convention where we want to see every church be involved in every community the week of August 3-10. Imagine one week where every church in our TriWest Network is out in the community, making a difference and sharing the love of Christ. This is one way you and your church can impact your community.

Adopt an Unreached People Group - I want to challenge every church to adopt an unreached people group this year. There are over 3,000 people groups in our world who have no access to the Gospel. Could your church adopt an unreachable group and begin praying for them? Could you connect with missionaries who are going to those places and undergird them with prayers? Could you send teams to go and encourage the missionaries and to share in the work. Can you? Yes, you can! Let us help connect you.

Where can you start? Check out this link: <https://www.imb.org/pray/adopt-a-uupg/>

As a part of TriWest you are making a difference with unreached people groups here in the Triangle, as well as helping with church planters in Myanmar, Oaxaca Mexico and Armenia. The future is bright if we decide to come together as partners in the Gospel.

We believe that EVERY CHILD deserves a safe, stable, and loving home. Whether it is a temporary placement or a long-term living situation, we know that the local church can bridge the gap for the thousands of children in the North Carolina foster care system.
