Dr. Marc Francis Moderator mfrancis@discoverrbc.org

I cannot believe that we have to change the calendar one more time as we head into the last quarter of this year. I remember my parents saying when I was young that time flies, but I had no idea it would move this fast. Depending on when you read this, we have somewhere close to 114 days till Christmas. Because time really does fly, I have realized that we must make the most of each and every moment we have.

Over the last few weeks, I've been working with one of our churches, teaching a small book called *Flickering Lamps*. You may or may not have heard of this book, but you probably have heard of its author, Henry Blackaby. Some of you surely remember the Bible study that came out back in the 90s called *Experiencing God*. It was and still is one of the best Discipleship books that I've ever seen. Henry and his son Richard wrote *Flickering Lamps* with the church in mind. In fact, they specifically wrote this book for the declining church in America.

I told someone last week that *Flickering Lamps* is kind of like the Reader's Digest version of *Experiencing God*. It is a much shorter book, but it is equally impactful. Through this book, God has reminded me of many things and I wanted to share some with you today. First and foremost, the Bible is abundantly clear that all things were created for the purpose of glorifying God. Therefore, the local church exists to glorify God. *Flickering Lamps* reminds us that God is still in control. Even though many times our circumstances are difficult, and may even seem quite daunting, God is still in control. Why don't you stop right now and just say those 4 words: "God is in control."

I hope and trust that you believe that, and if you do, then that changes everything. Whatever is going on in your life right now, whatever is going on in your church, whatever is going on in your family, God is bigger than whatever situation you are facing.

Blackaby interweaves the story of his family's ministry in Saskatoon, Canada with the letters to the seven churches in the book of Revelation. *Flickering Lamps* reminds us of basic biblical principles such as: "Seek ye first the kingdom of God." Christ did not command us to build our church. He said that He would build His kingdom and He would build His church. You and I must be kingdom citizens first. Blackaby reminds us to allow God to direct our steps. We all know Proverbs 3:5-6 says "Trust in the Lord with all your heart, and do not lean on your own understanding. In all your ways acknowledge Him, and He will make straight your paths." Yes, we all know it but have we figured out how to actually do it?

Continued from page 1

Blackaby reminded me that so many times we put our trust in our church budgets or our own abilities, gifts, talents, or even our traditions, but we are slow to put our ultimate faith and trust in God. He calls us to be people of faith. All of us know that it says in Hebrews 11, "Without faith, it is impossible to please God." I believe that now more than ever, it is imperative for the church to walk by faith. To believe in what cannot be seen, to trust God to do amazing things that seem impossible.

As I read through the story of the Blackaby's ministry in Canada, I was amazed and reminded of the power of God. The book recounts how the Blackaby left a successful ministry on the West Coast and moved to Canada, 1700 miles away, to a small church that was falling apart, both physically and spiritually, and how God showed up and did a miraculous work. This tiny church started a college ministry and a few months later they started a Bible college. And if that wasn't enough, just within months of Blackaby's arrival, they started not one, but several mission churches. After reading this book a friend said, "This is unbelievable." TriWest family, we need to be reminded that our God can still do anything He desires.

There is one more phrase I want to share with you. Blackaby says, and I quote, "The truth is, God can lead any church to a vibrant future. However, He requires churches to humble themselves and seek His direction." I have people almost every week ask me a similar question. They will ask about this church or that specific church or sometimes the church in general. The question is, "Marty, do you think that this church can turn things around?" My obvious answer is "No, the church themselves cannot turn things around." But then I love to respond, "But our God can!" Will you trust the Lord to lead your church? Please let us know how we here at TriWest can come alongside you to see what God can do.

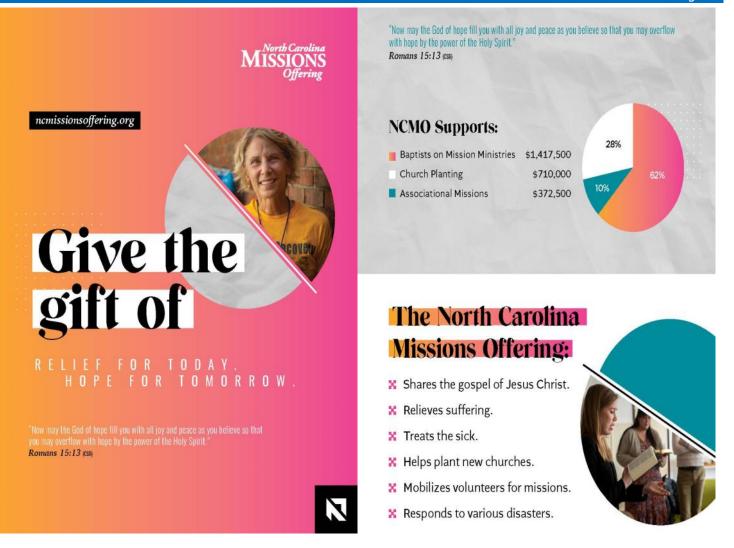

ServeNC is an opportunity for every NC Baptist church to love its community in Jesus' name through service projects.

If your church didn't exist, would your community notice? Whether it's painting a school, cleaning up a yard, serving meals to those in need or building a wheelchair ramp, your church knows the specific needs that exist in your community and can choose the best project to make a difference through ServeNC.

Commit your church to one week of being on mission together and display the gospel to those in need, August 3-10, 2024. For more information and to sign up, visit:

NCMO stands for the North Carolina Missions Offering. This is a special offering received during the month of September that brings relief to those in need, helps plant churches, and mobilizes NC Baptists for missions. The state-wide goal is \$2.5 million. This offering is used for Baptists on Mission Ministries, including Disaster Relief, local ministries, SendNC, and international missions just like the trip that I am on right now in Armenia. It also helps support a large part of the church planting budget for the State Convention. We need more churches planted in NC and this offering helps to accomplish that.

What you may not know is that 10% of the offering that is received from the churches who are a part of our network comes back to the local association. In other words, if our churches were to give \$100,000, then \$10,000 of that would come back to TriWest Baptist Network.

Unfortunately, last year we only had 12 of our network churches who gave to the North Carolina Missions Offering. The total giving was just over \$20,000 which means we received \$2,000 for local ministry projects. But I know we can do better!

Can you make sure to give an offering to the NCMO through your church so that your church can be counted in this partnership that helps ministries like disaster relief, international missions in places like South Africa, Guatemala, and Armenia, as well as church planting here across our state and even helping your local Baptist network?

Our prayer is that this year we will have many more than just 12 churches who participate in the NCMO.

"Now, may the God of hope, fill you with all joy and peace, as you believe so that you may overflow with hope by the power of the Holy Spirit." Romans 15:13.

Partners Together

God is at work and we are excited to join Him on mission every day!! We pray this letter finds your church experiencing spiritual growth and discipleship. As fall approaches we are reminded of the blessings the Lord has so lavishly poured out on His people. The TriWest Leadership Team would like to express gratitude for each of the pastors and churches in our association. Thank you for partnering with us in fulfilling the Great Commission.

How can we build a partnership with your church and support each other in the work God is calling us to do?

We have missed hearing from some of you and would like to reconnect with each of our pastors and churches. Over the past three years a lot of things have changed both culturally and financially. Hope is rising as we look to the future!

The association relies on Kingdom investments given by TriWest Baptist Network member churches as we partner missionally to take the Gospel to the nations. Member church's financial support allows us to offer increased resources and assistance to associational churches and pastors in reaching the lost with the Good News that Jesus saves!

As a member of the TriWest Baptist Network, how can your church be actively involved?

⇒ Be Represented!

Elect responsible members as messengers and encourage them to attend the semi-annual sessions of the Association.

⇒ Be Counted!

Send your church's annual report, the Congregational Profile, to the Association giving the information requested. This information is shared with the NC Baptist State Convention and the Southern Baptist Convention.

⇒ Be Supportive!

Establish a certain percentage of your church's undesignated receipts to be forwarded to the Association monthly.

Churches can set up monthly financial giving by check to the Yates Baptist Association or giving online at: www.yatesba.org/give.

TriWest Baptist Network (Yates Baptist Association) exists to provide missional resources and support for pastors and churches. As stated in our Bylaws, the association is a network of like-minded churches in the Triangle Metro Area of North Carolina with a vision to see the Great Commission fulfilled through sacrificial collaboration. Our mission is to collaborate to strengthen, plant, and resource churches in order to glorify God through making disciples of all nations. Your contributions assists the Leadership Team the ability to offer assistance through the following associational initiatives:

- ⇒ The Church Strengthening and Church Planting Teams connect with pastors in providing assistance with church growth, including church revitalization and church planting. This team is a vital support ministry as it walks alongside pastors and churches as prayer partners, filling pulpit needs, and offering support during church transitions.
- ⇒ The Missions and Community Ministries Team organizes community events with an evangelistic outreach focus. These events minister to individuals from diverse backgrounds and make contact with unreached people groups. The Alamance-Orange County Correctional Ministry leads small groups from local churches to host an evening worship service on the 3rd Sunday of each month from 7-8:30 PM. Churches are encouraged to participate in this rewarding ministry.
- ⇒ The Ministerial Care Team exists to encourage pastors and lay leaders as they seek to serve the local church. Monthly luncheons are hosted to connect with church leadership to develop strong missional relationships.
- ⇒ The Kingdom Initiative Ministry Team seeks to develop an awareness of cultural diversity through offering language translators, identifying possible host churches within the association, and locating available church planting spaces, as we take the Gospel to the multicultural communities that exist within the associational church communities.

Pastors and churches are invited to update your contact information by phone or email. We would love to see how we can be on mission for together!!
